How to get there:

In Villach on the A10 you take exit Villach Ost/Ossaicher See (nr. 178). This exit is right after (coming from Salzburg) / before (Coming from Italy / Slovenia) the Oswaldiberg tunnel. Follow signs for Ossiacher See. After 0,5 km you reach a roundabout. There you go left in the direction of Klösterlebahnen (16 km).

Follow the road (nr. 98) past Treffen, Köttwein, Aussere-Einöde and Innere-Einöde. 1,5 km past Innere-Einöde, as the road climbs and turns, take a right towards Arriach / Klösterlebahnen. Follow this road approximately 10 km, first passing Arriach on your left, then Klösterlebahnen (ski lift) on your right. 1.5 km past Klosterlebahnen, just over the small bridge, take a left and proceed up the hill. Follow the green sign for the 'Gasthof Fernsicht'. The last km is gravel road.
